

## Donaldson Career Center

100 Vocational Drive  
Greenville, SC 29605

# South Carolina State Report Card

State and federal laws require public schools to release report cards to the public each year. This year, the report card has been updated to reflect changes in reporting directed by the SC Education Oversight Committee. Schools will not be rated for state accountability purposes until Fall 2017 when the state will transition to a single accountability system. The following reports student performance in school year 2014-15.

<b>Grades:</b>	9-12 Career Center	<b>Principal:</b>	Cassina L Allen
<b>Enrollment:</b>	245 students	<b>Superintendent:</b>	Mr. W. Burke Royster
<b>School Phone:</b>	864-355-4650	<b>Board Chair:</b>	Mrs. Lisa Wells
<b>School Website:</b>	<a href="http://www.greenville.k12.sc.us/donaldsn/index.asp">http://www.greenville.k12.sc.us/donaldsn/index.asp</a>		

### Profile of the SC Graduate

#### World Class Knowledge

- Rigorous standards in language arts and math for career and college readiness
- Multiple languages, science, technology, engineering, mathematics (STEM), arts and social sciences\*

#### World Class Skills

- Creativity and innovation
- Critical thinking and problem solving
- Collaboration and teamwork
- Communication, information, media and technology
- Knowing how to learn

#### Life and Career Characteristics

- Integrity
- Self-direction
- Global perspective
- Perseverance
- Work ethic
- Interpersonal skills

### WORLD CLASS SKILLS & LIFE AND CAREER CHARACTERISTICS

*Our school is helping all students develop the world class skills and life and career characteristics of the Profile of the Graduate by ...*

Donaldson Career Center is helping all students develop the world class skills and life career characteristics of the Profile of the South Carolina Graduate by providing a safe, caring and academically challenging learning environment through our specialized career preparation programs. Our school's motto, "Learn Today to Earn Tomorrow!", is the foundation upon which our teaching and learning environment is built in order to successfully prepare our students for college and/or careers. Our teachers use a variety of teaching strategies that involve experiences inside and outside the classroom. These strategies include project based learning, hands-on labs, integration of technology, guest speakers, job shadowing and internships. As a result of these strategies our students have achieved much during the 2014-2015 school year. Several of our students received medals in the SC SkillsUSA competition in March including two first place winners in Diesel Equipment Technology and First Aid/CPR. Three Welding students were the first in the district's history to achieve AWS certification in Welding. The Nail Tech and Cosmetology programs accomplished 100% passage rate on their State Board practical exams and several Automotive Technology students earned their ASE industry certifications. We prepare our students for study at the post-secondary level and for immediate employment by partnering successfully with local businesses, industry, and organizations. These partners provide authentic learning experiences to our students through opportunities such as career fairs, cooperative learning and field trips. We currently have a 99% placement rate with every student that completes a program at our school. We are very thankful for the support of parents, businesses and community members that make our school great! Cassina L. Allen, Director  
LaTonia Moore, SIC Chairperson

\* 21st Century core courses in Social Sciences include History, Geography, Economics, Government and Civics.

**KNOWLEDGE**

**ACT WorkKeys** is a job skills assessment system measuring "real world" skills that employers believe are critical in the workplace. This table below shows the number of certificates at what level earned by **Career and Technology Education (CATE) completers at this Career Center**. Note that these data are self-reported by the Career Center.

In order to receive the National Career Readiness Certificate, a measure that indicates a student has the foundational workplace skills to succeed, a student must take three subtests in WorkKeys: Applied Mathematics, Reading for Information, and Locating Information.

Students can earn certificates at the Platinum, Gold, Silver, and Bronze level on WorkKeys assessments. A designation can only be earned after a student has taken the three subtests required for the National Career Readiness Certificate. The table to the right show the level score requirements for each certificate level.

Number of CATE completers at Career Center earning the National Career Readiness Certificate by Level	
Platinum	0
Gold	1
Silver	13
Bronze	6
Attempted, but no certificate earned	5

\* The three core WorkKeys subtests are: Applied Mathematics, Reading for Information, and Locating Information.

Certificate Level	Level Score Requirements
<b>Platinum</b>	Minimum score of <b>6</b> on each of the three core subtests*
<b>Gold</b>	Minimum score of <b>5</b> on each of the three core subtests*
<b>Silver</b>	Minimum score of <b>4</b> on each of the three core subtests*
<b>Bronze</b>	Minimum score of <b>3</b> on each of the three core subtests*

#### Performance of all students at Career Center compared to State Center Average

	Technical Skill Attainment			Graduation Rate			Placement Rate		
	This Center		State Center Average %	This Center		State Center Average %	This Center		State Center Average %
	n	%		n	%		n	%	
All Students	193	90.7%	90.4%	59	100.0%	97.1%	106	100.0%	97.1%

NOTE: n=number of students on which percentage is calculated; t=number of tests taken.

#### Definitions of Performance Rating Terms

\* Technical Skill Attainment - The percentage of students enrolled in career and technology courses at the center who earn a 2.0 or above on the final course grade.

\* Graduation Rate - The percentage of 12th grade career and technology students who graduate in the spring.

\* Placement Rate - The percentage of career and technology completers available for placement over a 3-year period who are actually placed in postsecondary instruction, military services, or employment. Note: these data are self-reported.

Number of students at Career Center Earning National Industry Certifications
TBD
